"Memory of the autumn"
100 x 100 cm, acrylic on canvas, 2015

Hyun Ok Kim was born in Hamyang and grew up in Seoul, Korea. She studied Fine Art at Hongik University, Seoul. Since 1998 she lives and works in Berlin, Germany.

My current work is focused on children and the nature around them. The children in my paintings are usually my two daughters or their friends. From them I learn many things such as their innocent sensitivity. With happiness they play in the field, in the bush or at the seaside. Sometimes they can see animals during a stroll. Such encounters reveal beauty of a creature to me. In course of time such important moments will be only in the past. I want to capture these moments on canvas.
